

ANNOUNCEMENT

Sonax Profiline CC36 Ceramic Coating

Hard-as-glass but flexible long term protection with exceptional resistance to UV light, chemicals, and aggressive environmental influences such as road salt, tar, and street and industrial pollution. The surface gets super hydrophobic, acts as dirt repellent and demands less maintenance effort due to the "Easy-to-Clean" effect. Gives an incredible deep shine with impressive color intensity. If properly maintained, CC36 can protect for up to 36 months.
